

**Appendix C-2 Excellent courses, teaching achievements,
textbooks**

Contents

Excellent Course	3
Textbook	6
Front Page of Textbooks	7

Excellent Course				
Award Categories	Award level	Award name	Completed Person	Award year
Shanghai Municipal Education Commission	Municipal Key Courses	Spatial analysis and model making	Dai Yang	2023
Shanghai Municipal Education Commission	Municipal Key Courses	Special booth design	Liu Qin	2023
Shanghai Municipal Education Commission	Municipal Key Courses	Market research and design methods	Li Ya	2023
Shanghai Municipal Education Commission	Shanghai Municipal Education Commission key curriculum project	Design of Theme exhibition Hall	Jin Jiefang	2020-2022
Shanghai Municipal Education Commission	Municipal Key Courses	Product Design (mixed online and offline courses)	Gao Zhu	2021
Shanghai Municipal Education Commission	Recognized as the first-class undergraduate Course of Shanghai higher Education in 2022	Product Design (Combination of online and Offline courses)	Gao Zhu	2022
School-level teaching construction projects	General education core curriculum construction project	Introduction to Industrial design	Gao Zhu	2023
School level	Curriculum Ideological and political "Navigation Course"	Design Management	Chen Liesheng	2021
School-level	Gold Class	Introduction to Industrial design	Gao Zhu	2019
School level	Gold Class	Patterns	Liu Keyan	2019

Teaching Awards					
Serial number	Rewards Categories	Award grade	Award name	Completed Person	Award year
1	Higher Education Division, Ministry of Education	Industry-university cooperative education project	Construction of teaching content of "Design of transport Tools"	Xu Jianghua	2019
2	Shanghai Municipal Education Commission	Shanghai Cultural and Creative Production-Education Integration Leading Project	Project course construction based on the design platform of production-education integration	Gao Zhu	2019
3	Shanghai Municipal Education Commission	Shanghai Cultural and Creative Production-Education Integration Leading Project	Project curriculum construction based on production-teaching integration design platform -- Phase II	Gao Zhu	2020
4	School level	"Teaching Research and Reform" project	Research on the integrated teaching mode of curriculum Ideology, politics and design	Gao Zhu	2022
5	School level	Shanghai University of Engineering Science Teaching Achievement Award (First Prize)	Construction and exploration of open three-dimensional innovative practice teaching system for design major	Gao Ji Ji, LIU Jianwei, Chen Liesheng, Liu Qin, Yuan Rong, Li Guangan, ZHENG	2021

				Chao, LIU Xiaoyan	
6	University-level	"New Engineering" construction project	The exploration and practice of the construction of the new industrial design specialty with multiple disciplines	Gao Zhu	2021
7	School level	Gold Class	Introduction to Industrial design	Foresight	2019
8	School level	Curriculum ideological and political construction project	"Transport tools design" course ideological and political construction	Xu Jianghua	2021
9	School Level	Curriculum Ideological and political "Navigation Course"	Design psychology based on the core quality of family and country feelings	Zhuang Yi	2020

Textbook					
1	Author	Title of a book	Publishing House	ISBN	Publication date
2	Gao Zhu	Product development design	China Textile Press	/	/
3	Chen Liesheng	Product system design	China Textile Press	/	/
4	Xu Jianghua	Creative design of aviation equipment	China Textile Press	/	/
5	Chen Liesheng	Product system design	Chongqing University Press	/	/
6	Wang Mingfeng	Cultural Realism and Virtualism Design Model	Springer	/	2019.12
7	Zhu Gao	City · Memory - Urban image archive creation collection	Shanghai Jiao Tong University Press	9787313226006	2019.11
8	Miao Yuan-ji, Zhang Zi-ran and Zhang Yi	Product Structure Design	China Light Industry Press	9787518414826	2018.12
9	Zhu Gao	Industrial product form innovation design and evaluation methods	Tsinghua University Press	9787302494881	2018.4
10	Zhu Gao	Visionary stars -- Visionary design	Shanghai Jiao Tong University Press	9787313185075	2018.4
